By-laws

I. Membership *(Note: All members prior to the adoption of this document will be “grandfathered” under the terms of membership, part A and B. This section will apply to new membership following adoption.)*

A. Eligibility for Membership

A person desiring membership:

1. a. must have a personal experience of salvation through faith in Jesus Christ; and
b. must be baptized following confession of Jesus Christ as Savior and Lord; and
c. must express a willingness to live a godly life in Christ Jesus and be willing to embrace the views of faith and practice as held by this church. Their willingness to live such a life and unite in membership with Mt Zion will be evidenced by the completion of a New Members Orientation taught by an elder(s) where the new member shall be instructed in the Statement of Faith and the concept of stewardship (including time, talents and possessions), church doctrine, constitution, and by-laws.

2. A person may become a member if that person previously had a personal salvation experience, was previously baptized, and they express a willingness to live a godly life in Christ Jesus and be willing to embrace the views of faith and practice as held by this church. It is expected that the new member will complete the New Member Orientation as described above.

B. Admission to Membership

1. Individuals may be received through meeting the eligibility of membership stated above. The Elders will recommend potential members for approval by the membership at a regular business meeting or regular worship service of the church. Approval of membership will be granted by a majority vote of the quorum of members at the meeting. Those received into membership will be officially welcomed into the congregation.

C. Termination of Membership

Termination of membership can be a sensitive issue. Cases of termination will be addressed **on a case-by-case basis** taking into consideration all aspects of membership and or lack of involvement. The Elders will appoint a committee to address termination of membership. The committee may consist of 2 Elders, 2 from the Diaconate and a member at large. Membership may be terminated in one of the following ways:

1. Move outside the area—Members known to have permanently moved outside the normal commuting area of the church may be removed from the membership roll after one year on the inactive list.
2. Personal request—A member may request in writing that his name be removed from the roll.
3. Death—In such cases as death, the member’s name will be automatically dropped with no need of congregational action.
4. Inaction—When a member does not support the various ministries of Mt Zion for period of one year, with the following being considered when making the decision: lack of (regular)

attendance at weekly worship service(s); lack of (regular) involvement in one of more of the weekly small groups; unwilling to use their spiritual gifts in support of Mt Zion; lack of stewardship of time, talent and treasury.

The Elders will attempt to make contact with the individual by phone or through their address of record prior to making a final decision. After considering the above information, the Elders will decide whether to put the person on the inactive list. When a person becomes inactive, the privileges of membership are forfeited.

In situations of shut-ins, college students away at school, and those serving in the military; being considered for the inactive list is not applicable.

5. Discipline - Sadly, some believers are overtaken by sin (Gal. 6:1) and forsake their obedient life-style. Action to **restore** such **members** will be initiated by the Elders in accordance with a biblical process (Mt. 18:15-17; Gal. 6:1-5; 1 Tim. 5:19-20; 1 Cor 5). When confession and repentance are absent and consequently, the restoration process is unable to move forward, the Elders may recommend termination of membership as prescribed in Mt. 18:15-20.

The situation will be dealt with at a Special Called business meeting. The Special Called meeting will be announced the two Sundays prior to the meeting. If the member wishes to repent and ask forgiveness, the member may request time during a worship service. If the Elders agree, then an appropriate amount of time will be set aside.

Except in the case of death or inaction, the Elders will present action for changes in membership status to the membership at a regular business meeting or a special called business meeting. With a quorum present, a simple majority of members affirms the action, except in the case of discipline, which requires a three-fourths (3/4) majority. A disciplined member will be advised in advance of the action, and the vote will be taken by secret ballot.

D. Responsibilities of Members

Each member is expected to seek continued growth in the grace and knowledge of the Lord Jesus Christ and the Bible; to be faithful and systematic in the generous investment of time, gifts, abilities, and resources, and to submit voluntarily to the designated leaders of the church (Heb 13:17).

If, after consulting with the Elders, any member that is unable to harmonize with the beliefs and practices of Mt Zion, agrees to quietly remove themselves and refrain from cultivating conflict and disruption.

E. Classifications of Members/Types of Membership

1. Active Members

Active members are members who actively support the church. This support is normally evidenced by attending worship service, giving, and serving. In addition, active members should strive to live in accordance with the doctrinal standards of Holy Scripture. Prior to any regular business meeting or a special called business meeting, the Secretary-Treasurer shall report to the Elders the status of active/inactive membership.

2. Inactive Members

Inactive members are any members who have been absent from the church for a period of one year without manifesting interest and making contribution by attending worship service, giving, and serving. Such persons **may** be placed on the inactive roll by the Elders. As stated above, there may be extenuating circumstances that the Elders may consider.

Persons carried on the inactive roll shall not be counted as active members and shall have no voting rights.

- 3. Restoration** - Any person whose name has been placed on the role of inactive members, may by making satisfactory explanation to the Elder Board, be recommended to the church for restoration to the active roll.

All resignations before the conclusion of a term shall be presented in writing to the Elder Board.
3. Any officer other than a pastor who willfully neglects his or her duty or demonstrates conduct contrary to scripture, impairing his or her service may be removed from office by one of the following procedures: 1) a petition signed by 20% of the active voting members will constitute a call for special business meeting with the recommendation for removal, and at that meeting a three-fourths (3/4) majority of those voting can ratify the recommendation to remove the officer or 2) a vote of three-fourths (3/4) of the Elder Board may call a special meeting where the membership will hear about the situation; hear from the accused officer, and then a simple majority vote will carry the motion.

Prior to said meeting at least two weeks written notice shall be given to the congregation. In the case of dismissal, the termination shall be immediate, with the Pastor receiving one month's salary as severance pay. The dismissal of a Pastor shall require a three-fourths vote of an appropriate voting quorum to make such an action valid.

If the Elder Board confirms sinful behavior on the part of the Lead Pastor that is disqualifying according to 1 Timothy 3:1-8; 5:19-20, and Titus 1:5-9, they may act to immediately remove the Pastor from all privileges, responsibilities and duties, pending a vote of the membership to affirm their action. Once approved, the budget is not a mandate to spend, but provides reasonable parameters for fulfilling the ministry in the coming year. The Elders are authorized and responsible to conduct the affairs of the church within that budget and see that delegated budget managers also do so. The Elders are also authorized to establish, manage, and disburse designated funds which will advance the ministry of the church. They may also take action outside the budget if emergency conditions exist where a delay would likely cause material or irreparable loss, damage, or injury to people, property, or the welfare of the church, provided these expenses are reported to the membership at the next regular business meeting.
